

SIGNATURE SKIN RITUALS

Our facials aim to give you total relaxation head to toe – all include a relaxing hand and arm massage and a hot towel foot and leg massage.
(Time does not permit foot and leg massage during “Back to Basics” facial)

Soak it up!

Seawater Pearls Hydrating Facial 90 min \$110

This skin-quenching facial relieves all uncomfortable feelings of tightness and dehydration while restoring balance to the skin’s lipid levels. Seawater pearls softly break open during this treatment, releasing moisture and minerals which are essential to your skin’s hydration. An incredibly luxurious facial masque trio: one creamy, one warming and one cooling; enable your skin to maintain the moisture it needs for a dewy soft complexion.

Don’t be so Sensitive!

Marine Soothing Skin Facial 90 min \$110

This facial is specifically designed for the most delicate and sensitive of skin types. Healing marine extracts will reduce any redness and irritation. Then a gently warming thermal masque pampers sensitive complexions while infusing the skin with a healthy glow. Finally, chill out and “gel” out with our unique cooling gel masque which will calm the skin giving it a smooth and even-toned appearance.

Let it Breathe!

Oxygenating Purity Facial 90 min \$110

The daily rigors of our environment pollute your skin, resulting in a dull, lifeless, or problematic complexion. Revive those sluggish cells with our warm, bubbling seaweed mud mask. This rich formula of marine trace elements, minerals and vitamins not only nourishes, but regulates your skin’s vital functions. Once the tissues are recharged and oxygenated, a bright, healthy and clear tone emerges. This facial is highly recommended for congested, oily or problematic skin.

Stop the Clock!

Anti-Aging Rejuvenating Facial 90 min \$110

This facial is unparalleled in its ability to increase cellular turnover and stimulate elastin and collagen production. Two enzyme exfoliants shed dead skin cells and prepare skin for a deep wrinkle and firming concentrate treatment, known for its remarkable anti-free radical properties. Formulated for individual skin types, a triple masque treatment thermo-actively penetrates vital nutrients into the skin unveiling a revitalized and toned porcelain complexion.

Back to Basics!

Basic European Cleansing Facial 60min \$90

Deeply cleansing and exfoliating, this facial restores your neglected skin’s needs. An individualized masque is applied after a relaxing facial massage. Whether your concern is hydrating, calming or clarifying – this treatment can be tailored to any skin type. Upgrade this treatment with an alpha peel to maximize glowing results!
